Repair approved to: \$ _____

Authorized Signature: _____ Date: _____

By signing this form, I am stating that I have the authority to approve, in advance, the repair and/or reconditioning of the attached equipment under the terms and guidelines as stated above. In the event that the cost to repair or recondition the above listed equipment exceeds my maximum expectation of costs, LRC will contact me with an estimate. All repair forms must be signed to be valid. All units received by LRC that do not include a dollar amount limit and/or request for an estimate will be repaired as required to the customer at standard shop rates.
